SUMMARY

I am an Information Systems undergraduate at Sabaragamuwa University of Sri Lanka, passionate about web and frontend development. I have hands-on experience in HTML, CSS, JavaScript, C, and Java, and I am currently learning React.js and Python to expand my skills in creating modern and user-friendly digital solutions.

TECHNICAL SKILLS

- Frontend Development: HTML, CSS, JavaScript, React.js
- Programming Languages: C, Java, Python (learning)
- Database Management: SQL, basic DB design and handling
- Content & Writing: Article writing, technical documentation

PROJECT/EXPERIENCE

- Portfolio Website – Designed and developed a responsive personal portfolio using HTML, CSS, and JavaScript.
- Web Applications – Built interactive web pages with creative layouts and user-friendly interfaces.
- Article Writing – Writing tech and web development articles to share knowledge and improve skills.
